**Perrin Woods Preserve**  
*Preserve*

+/- 17.7 Acres.

**Site Amenities**

- Walking Paths
- Natural Area

**Unique Characteristics/Observations**

- Boundaries include city streets to the north and east, and single family homes with Lutheran Church to the south and west
- Open space is very accessible and utilized predominately by adjacent residents
- Adjacent property owned by the Church could be an opportunity for programmed space and parking
- Could be a connection between Perrin Woods School Directory on John Street and open space

**Recommendations**

- Formalize a management plan
- Consider needs expressed by neighbors
- Provide a safe learning environment
- Improve street presence with a connection to the elementary school
- Provide a clean and attractive edge along street side of park
- Improve existing nature trails within the wooded area
- Create strong pedestrian access points
- Implement new graphic standards
  - Identification and interpretive signage

- Existing Trails
- Maintained Edge
