

Cardboard CLASSIC bobsled races

OFFICIAL CONTEST RULES

MATERIALS

- The only materials permitted are cardboard, tape, glue, wax, lacquer, and paint. NTPRD must approve all other materials.
- All materials must be dry at registration.
- All sleds must have hockey or packing tape lining the bottom to prevent damaging the ice.
- NO wood, plastic, or metal is permitted (including staples)

CONTEST RULES

- There must be at least one person riding in the sled.
- Only two 'pushers' are permitted on the ice with a sled. Both 'pushers' must have a hand on the sled when pushing and when the sled crosses the finish line. There is NO lunging sled across the finish line.
- Participants must wear athletic shoes and are encouraged to wear helmets such as bikes or hockey. Helmets are available at the Chiller Front Desk.
- Awards will be given to race winners and the most creative designers.
